

Peer Support Group

Come along to our peer support group run by people with lived experience and recovery from alcohol, medication or other drug use.

This is a place to support and encourage one another to make positive life changes, to meet on common ground in order to learn from one another.

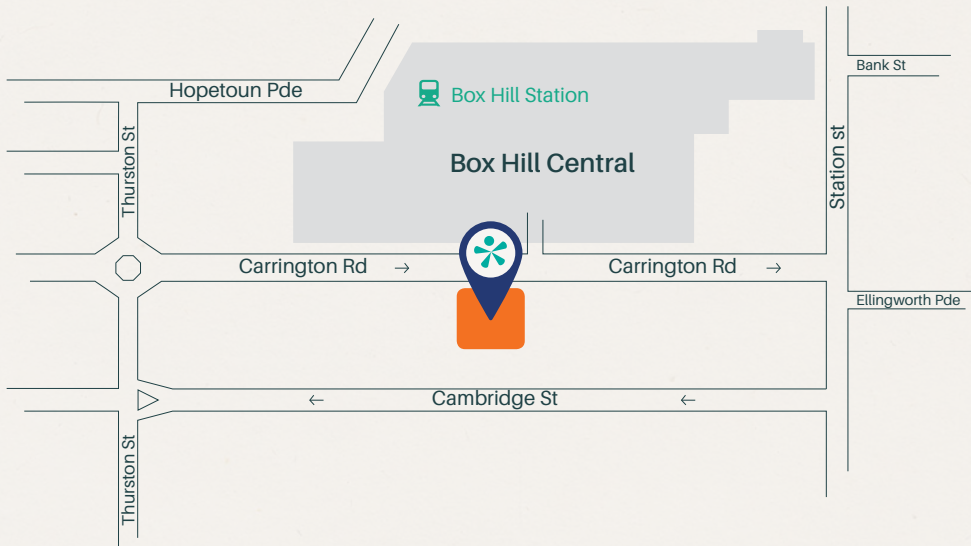

We welcome everyone to join the group, including people who are having trouble with prescribed drugs or over the counter medications.

Carrington Health

Ground Floor,
43 Carrington Road, Box Hill
